

2025 Global Entrepreneurship Internship Program (GEIP)

With the goal of raising future global entrepreneurs among KAIST students, the Office of Global Initiative at KAIST offers partial financial support for students who are undertaking an internship at a startup company in the US. The duration of internship under this support is between 6 and 12 months. Students with a global entrepreneurial mindset looking for hands-on startup experiences are encouraged to apply.

Aims and Objective of 2025 GEIP

The aims and objectives of this program are to help the students realize their potential and to support their journey to be a global entrepreneurship leader in the future. This program offers successful applicants the chance to obtain valuable work experiences at startup companies in the United States.

Participants

KAIST students including pre-startup entrepreneurs and students who are interested in global entrepreneurship (up to 5 students to be selected).

Eligibility

Full-time KAIST (graduate and undergraduate) students who have already secured an internship position with a U.S.-based startup. Successful applicants MUST be eligible to obtain a J-1 visa by the beginning of the internship. During the internship period, the applicants MUST be enrolled in KAIST by applying for KAIST Undergraduate Internship Program – A dispatch without leave of absence - offered by the KAIST Global Leadership Center, etc.

Internship Period

Between 6 months and 12 months

Financial Support

Total payment between 5,000,000 KRW and 10,000,000 KRW (depending on the internship period with prorated monthly stipend)

Documents to be submitted for application

Resume, Application Form, Benefits by Company, Job Description, Internship Work plan (MUST include the impact of internship experience on your future entrepreneurial career), Letter of Acceptance from the company, Letter of Recommendation from the academic advisor, Academic Transcript, Valid English Score (if any), Other supporting documents (if any)
